

PANDAS March 2024 Club Meeting
Tuesday 5th March

Minutes

38 people present.

The club chairman (Martin Lynn) opened the meeting and welcomed visitors from other clubs.

1. Saturday 16th March is now a 'No Fly Day' due to a large cross country running race in the park.
2. At the April club meeting (Tuesday 2nd) club member John Mosley will be giving a talk / presentation / demonstration on foam wing cutting.
3. Martin confirmed that he had renewed the club subscription to the Marsden Moor Soaring Association for 2024 / 2025.
4. All the club field events for 2024 including 'No Fly Days' are on the club calendar on the website.
5. The field is still very wet and we have being unable to cut the grass. It will be cut as soon as possible once it dries up.
6. The meeting concluded with a Presentation / Talk / Discussion by club members Rob Buckley & Adrian Appleyard on latest unmanned aircraft legislation and what the future may hold. Martin thanked Rob and Adrian for their presentation.
