

Minutes of club meeting October 7th 2025

Members attending 38

Start 8.00 pm

1. Membership so far - 195
2. Finances - We are about £400 in front.
3. BMFA/CAA updates - Nothing will change in the near future. Remote I/D should be effective in 2028. BMFA AGM is on 1st November at Buckminster.
4. Achievement test day on 11th October - 11 booked in for tests, mostly 'B' certs.
5. Next meeting is 4th November & is the AGM. All the committee positions are open for election.
6. Do not post non club comments on the 'PANDAS' WhatsApp, members are again posting jokes or 'U Tube clips'. These should be on 'Build & Pics' or privately.
7. A.O.B. - None

After the meeting Martin went through his method of model set up:-

1. Is the model straight
2. Balance correct
3. Engine thrust line
4. Wing incidence
5. Horns & push rods strong enough
6. Wing tube & batter secure
7. Rx arial positioning
8. Servos at neutral with no sub trim
9. Fail safe working
10. Telemetry
11. Timer set
