

## Club meeting April 7<sup>th</sup> 2026

Members attending - 24      meeting commenced 8.02

1. Membership so far 176
2. Finances: Field rent £1620 (rise of 2%). Trainer purchased together with Tx & parts for £100.
3. Field maintenance: Strip has not been cut yet. It is intended to roll the strip on the 16 April - roller hire £160.
4. Events: Extra cost for c/l carrier deck date change will be paid by the organisers. On Easter Monday we will hold a couple of fun fly events. Saturday 25 April we are hosting the first achievement event.
5. Training: Adrian Appleyard has suggested we have a log book to show the progress of beginners. This has been tried before & did not work as desired, mainly because pupils forgot to bring it along to training sessions. A vote showed that members thought it was not feasible.
6. Martin wants all club members to have passed the BMFA RCC test by the end of this year, so next meeting a couple of lap tops will be available for anyone to take their test.
7. AOB - None

Meeting close 8.27

After the meeting Graham held a class to explain radio set up.
