

## Club meeting May 5<sup>th</sup> 2026

Members attending - 22      meeting commenced 8.02

1. Membership 180
2. Finances - Only grass cutting since last meeting
3. Field: Some members complain that the grass is too long on the strip.
4. Achievement day: 14 requested a test but only 6 turned up. It was thought that we should have a flight line marshal at these events.
5. Field events: BMFA scale on 17 May. Northan area 2 day event - 13/14 June, we have had no offers of help from N/A.
6. AOB none

Meeting close 8.19

After the meeting Martin explained RCC & Flyer I/D. 27 of our club members do not have this yet, & it is proposed that all club members should obtain these before next year. This is because he can only check who has RCC, & not any other method of obtaining Flyer I/D. We will then know that all members are legal should there be any accident.
