

Club meeting August 4th 2026

Members attending - 29 meeting commenced 8.00

1. Membership 189
2. Finances - Expect to break even by the end of the year
3. Field - It's now rock hard due to warm weather & no rain. We are still finding bits of glass in the field since school break up.
4. Graham Worfolk is not well & in hospital.
5. Reminder of Retro event on 22/23 August
6. Elvington LMA show (7/8 Aug) We are doing trial flights for BMFA
7. Your Flyer I/D can be changed on the portal by the pilot, but is not legal.

The 'Topics' discussion followed:

- a) Communication - We are OK, Facebook not favoured
- b) Training - We do better than most clubs.
- c) Field & Cabin - Only point here is that we should keep the door shut to stop passers knowing what we have inside, & to stop dogs entering & fouling.
- d) Litter - Members should take crashed models home for disposal & not leave them in the council bin.
- e) Number of events per year - Just about right
- f) Committee - We need someone to organise club night entertainment.
Martin would like to relinquish his chair mans post.
- g) Rules & constitution - We have a few minor changes to add before the next AGM

Meeting close 9.01

Terry Lee (sec.)
