

Club meeting September 1st 2026

Members attending - 22 meeting commenced 8.00

1. Membership 191
2. Finances - Expect to break even by the end of the year, we need 170 - 180 members to break even.
3. Field events: 19 - 20 Sept. is the Control line carrier deck. 18 Oct. Achievement day.
4. It is proposed that all members should have a BMFA - RCC at the start of next year. All agreed.
5. It is proposed that 'Juniors' under the age of 18 should have a 'Responsible adult' with them at the park when flying.
6. The flying boundaries are to be stressed.
7. All committee positions for next year must be proposed in writing before the AGM.
8. Some 'over 7.5 Kg.' models are being flown without a spotter. It should be noted that the spotter is looking out for dangers such as wandering walkers or low flying full size aircraft, and not watching the model you are spotting for.
9. Some models are deemed to be noisy, so should be dealt with at the time or reported to the committee (with names).
10. We need someone to organise entertainment for club nights.
